

The Training Team has moved!

In August 2014, the OHR Organizational Development and Training offices moved “across the street” to the Rockville Center to our new **Training and Organizational Development Center (TODC)**

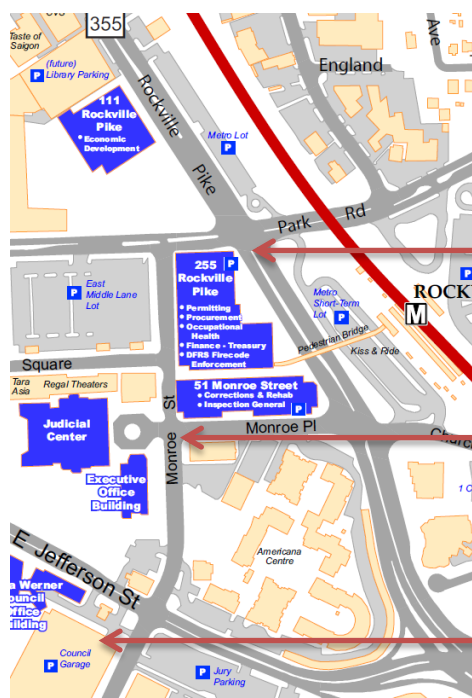

In addition to office changes, the Center will include **a Computer Lab** and a large **Training Room** to be used for CCL and OHR Training Classes.

OHR Training and Organizational Development Center
255 Rockville Pike, Suite 102, Rockville, MD 20850
Phone numbers will NOT change, except the fax number.

Directions: The **TODC** will be located between Rockville Pike and Monroe Street where E. Maryland Avenue dead-ends at Monroe Street. **From the COB Parking Garage**, walk past the EOB Building to E. Maryland Avenue; turn right and cross the street, go up the stairs (**or take the outdoor elevator next to the stairway**). From the plaza, the building entrance is on the left. Once inside, enter the first door on your right (we share the entrance with HHS – Public Health Licensure and Regulatory Offices).

Parking: Paid parking is available in the building. We are sorry, but **we will not have parking vouchers** if you decide to park in the garage. Check with your supervisor to find out if the fee can be reimbursed by the department/organization. Parking vouchers for the COB Garage are still available for those attending training.
